

SCIENTIFIC GAMES SIGNS CONTRACT WITH OKLAHOMA LOTTERY TO PROVIDE LOTTERY GAMING AND INSTANT TICKET SERVICES

NEW YORK – May 28, 2013 – [Scientific Games Corporation](#) (NASDAQ: SGMS) today announced that it has signed a Lottery Gaming Services contract with the Oklahoma Lottery. The new contract provides for lottery systems and services, including terminals and statewide communications, instant ticket printing, warehousing and distribution, technical and sales staff as well as additional lottery services. The contract, which was awarded through a competitive procurement process, begins August 9, 2013, has an initial term of one year and includes nine additional one-year contract extension options.

“The Oklahoma Lottery has been a valued customer since its launch in 2005, one of the fastest implementations ever in the industry, and we are pleased to continue our successful partnership,” stated Pat McHugh, President of North American Lottery Systems for Scientific Games. “We are looking to collaborate with the Lottery to contribute more returns to education in the State.”

“Scientific Games has been a great partner over the last eight years,” said Rollo Redburn, Executive Director, Oklahoma Lottery Commission. “With their help, we can continue to focus on growing our revenues and driving efficiencies in order to provide more money for Oklahoma education.”

In 2012, the Oklahoma Lottery generated \$208 million in retail sales and returned \$73 million to education in the State.

Forward-Looking Statements

In this press release, the Company makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements describe future expectations, plans, results or strategies and can often be identified by the use of terminology such as "may," "will," "estimate," "intend," "continue," "believe," "expect," "anticipate," "should," "could," "potential," "opportunity," or similar terminology. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including, among other things: competition; material adverse changes in economic and industry conditions; technological change; retention and renewal of existing contracts and entry into new or revised contracts; availability and adequacy of cash flows to satisfy obligations and indebtedness or future needs; protection of intellectual property; security and integrity of software and systems; laws and government regulation, including those

relating to gaming licenses, permits and operations; inability to identify, complete and integrate future acquisitions; inability to benefit from, and risks associated with, strategic equity investments and relationships; failure of our Northstar Illinois joint venture to meet the net income targets or otherwise to realize the anticipated benefits under its private management agreement with the Illinois Lottery; failure of our Northstar New Jersey joint venture to enter into an agreement to provide marketing and sales services to the New Jersey Lottery (including as a result of a protest) or to meet the net income targets or other requirements under any such agreement or otherwise to realize the anticipated benefits under any such agreement; the seasonality of our business; failure to complete the pending acquisition of WMS Industries Inc. ("WMS") on a timely basis or at all, including due to the inability to obtain the gaming regulatory approvals required to complete the acquisition; disruption of our current plans and operations in connection with the acquisition; failure to achieve the intended benefits of the WMS acquisition, including due to the inability to realize synergies in the anticipated amounts or within the contemplated time-frames or cost expectations, or at all; inability to identify and capitalize on trends and changes in the lottery and gaming industries, including the potential expansion of regulated gaming via the internet; inability to enhance and develop successful gaming concepts; dependence on suppliers and manufacturers; liability for product defects; fluctuations in foreign currency exchange rates and other factors associated with international operations; influence of certain stockholders; dependence on key personnel; failure to perform under our contracts; resolution of pending or future litigation; labor matters and stock price volatility. Additional information regarding risks and uncertainties and other factors that could cause actual results to differ materially from those contemplated in forward-looking statements is included from time to time in the Company's filings with the Securities and Exchange Commission ("SEC"), including under the heading "Risk Factors" in the Company's Annual Report on Form 10-K filed with the SEC on March 12, 2013 and in its subsequent periodic reports. Forward-looking statements speak only as of the date they are made and, except for the Company's ongoing obligations under the U.S. federal securities laws, the Company undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
