Tech & AI Awards: Shortlist For First 5 Categories REVEALED

Published April 11, 2025

Discover who made it into the shortlist for the first five categories of the debut Global Tech & AI Awards taking place on 14 May 2025

Technology Magazine is delighted to reveal some the official shortlist for the Global Tech & AI Awards 2025.

These prestigious awards celebrate the most innovative, impactful and forward-thinking organisations and individuals across the global technology landscape.

From cutting-edge AI solutions to transformative digital strategies, the shortlisted nominees represent excellence in driving progress, solving real-world challenges and shaping the future of tech.

Each finalist has demonstrated outstanding leadership, creativity and innovation in their field.

Congratulations to all those shortlisted — your achievements are a testament to the power of technology to create meaningful change.
