

## Scientific Games to Bring More Entertaining Scratch-it Games to Oregon Lottery Players

**ATLANTA – November 7, 2023** – [Scientific Games](#) announced that it will continue creating and producing the company’s world-leading instant scratch games for the Oregon Lottery as part of a five-year contract extension. Scientific Games has supplied Oregon Lottery with Scratch-it games since 2010, including popular games like *Rose Gold Riches*, *5X the Cash* and holiday games. Additionally, the company provides the Lottery with top-performing crossword games like *Firewolf* which features play on both the front and back of the game with the company’s *Scratch My Back* enhancement.

“We’re happy to continue our positive Scratch-it relationship with Scientific Games,” **said Tina Erickson, Lottery Products Portfolio Manager for the Oregon Lottery.** “Our work with Scientific Games allows us to offer a wide variety of Scratch-it games to our retailers, keep our players entertained, and support vital programs in Oregon. We look forward to working together.”

Proceeds from the Oregon Lottery fund voter approved programs across the state, including public schools, veteran services, state parks, environmental preservation programs and economic growth initiatives. In fiscal year 2022, the lottery contributed \$908.3 million to the state and local programs it supports.

“We’re happy to help the Oregon Lottery maximize proceeds to its good cause programs with our high-performance instant products,” said **John Schulz, President of Americas & Global Instant Products for Scientific Games.** “We’re committed to bringing innovative instant scratch game experiences to players around the world, all based on analytics and insights that drive results.”

Scientific Games provides instant scratch games to more than 100 lotteries, including 19 of the Top 20 performing instant game lotteries in the world based on instant per capita sales (*La Fleur’s 2023 World Almanac*). With products representing 70% of instant game retail sales globally, Scientific Games is the world’s largest instant games creator, producer and services provider.
